

Senator Melissa Hurtado

REPRESENTING SENATE DISTRICT 14

Budget Investment Breakdownⁱⁱⁱ

\$15 million

Restoring Water Systems for Safe Clean Drinking Water

Description: Addressing failing water systems that deliver safe clean drinking water to California's most underserved communities.

\$15 million

Asthma Mitigation Project

Description: This budget allocation will help ensure vulnerable communities have access to asthma prevention services by funding asthma education and home trigger assessments provided by qualified, non-licensed professionals including community health workers, and increasing financial support for environmental trigger remediation in the home.

\$5 million in ongoing funds (yearly)

Aging and Disability Resource Center Services

Description: This budget allocation will allocate additional funding for Aging and Disability Resource Centers to help support vulnerable and aging communities and caregivers in need resource and referral services.

\$7 million

Short-Line Railroad Projects

Description: This budget win will invest in short-line railroad projects throughout the state by creating a grant program through the Trade Corridor Improvement Funds. These funds will provide infrastructure improvements while accommodating heavier weight railcars, which will help transport.

\$12 Million

Youth and Family Civic Engagement Initiative

Description: \$12 million over three years for the Youth and Family Civic Engagement Initiative. The initiative will address civic engagement disparities for low-income and highly vulnerable youth and families.

\$4 Million

Family Separation & Deportation Defense - CA Immigrant Justice Fellowship

Description: The one-time budget win is a direct investment in a legal fellows program that leverages the legal expertise of established service providers as a training ground for new attorneys, before they are placed with organizations in the most underserved regions of our state, with ongoing mentorship and technical assistance.

Senator Melissa Hurtado

REPRESENTING SENATE DISTRICT 14

Other budget wins Sen. Melissa Hurtado supported includes:

\$130 Million

Safe Drinking Water Fund

Description: Under SB 200, authored by Senator Bill Monning (D-Carmel), and co-authored by Senator Melissa Hurtado (D-Sanger) the bill authorizes \$130 million in continuous appropriation from the General Fund which will be used to secure safe drinking water in our most vulnerable communities.

\$70 Million

Senior Penalty

Description: Ends Medi-Cal's Senior Penalty

\$2 Million for Career Technical Education Funding for Fresno and Kern Counties

Community Colleges

Description: Provides \$2 Million in Career Technical Education funding to Fresno City College and Bakersfield College

Millions for Community College Campus Improvements, Capitol Outlay Projects West Hills Lemoore Instructional Center, Reedley College New Child Development Center, the Learning Resource Center at the Delano Center and Clovis Community College's Applied Technology Building

\$2 Million

Valley Fever Research

Description: Invests in the Valley Fever Institute at Kern Medical to support valley fever research
